EXAMINATION ANNOUNCEMENT NO. 22-025

POSITION:	SPEECH LANGUAGE PATHOLOGIST	OPENING DATE:	<u>01/01/2022</u>
NO. OF VACANCIES:	1	CLOSING DATE:	<u>CONTINUOUS</u>
SALARY:	\$77,000.00 P/A		
LOCATION:	Hospital Ancillary Services, Commonwealth Healthcare Corporation		

NATURE OF WORK:

Under the direct supervision of the Chief of Ancillary Services, the Speech-Language Pathologist is responsible for assessing and treating persons with speech, language, voice, and fluency disorders. May select alternative communication systems and teach their use. May perform research related to speech and language problems.

DUTIES:

- Evaluate levels of speech, language, or swallowing difficulty.
- Identify treatment options.
- Monitor patients' progress and adjust treatments accordingly.
- Develop or implement treatment plans for problems such as stuttering, delayed language, swallowing disorders, or inappropriate pitch or harsh voice problems, based on own assessments and recommendations of physicians, psychologists, or social workers.
- Create and carry out an individualized treatment plan that addresses specific functional needs.
- Teach children and adults how to make sounds and improve their voices and maintain fluency.
- Help individuals improve vocabulary and sentence structure used in oral and written language.
- Work with children and adults to develop and strengthen the muscles used to swallow.
- Counsel individuals and families on how to cope with communication and swallowing disorders.
- Perform other duties assigned by immediate supervisor.

All duties and requirements must be performed consistent with the American Speech-Language-Hearing Association standards.

QUALIFICATION REQUIREMENTS:

MA, MS, MEd degree from a program accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA). One to two years of experience preferably in hospital setting with multi-modality experience.

CHCC is an equal opportunity employer. We consider all applicants for all positions without regard to race, color, religion, sex, disability, age, mental or veteran status, the presence of a non-job related medical condition or disability, or any legal protected status.

OTHERS:

Communicate and work effectively with individuals from culturally and linguistically diverse backgrounds.

LICENSURE/ CERTIFICATIONS:

Licensed by the CNMI Healthcare Professions Licensing Board (HCPLB) to engage in the practice of Speech-Language Pathology.

KNOWLEDGE:

- Customer and Personal Service — Knowledge of principles and processes for providing customer and personal services. This includes customer needs assessment, meeting quality standards for services, and evaluation of customer satisfaction.
- Therapy and Counseling — Knowledge of principles, methods, and procedures for diagnosis, treatment, and rehabilitation of physical and mental dysfunctions, and for career counseling and guidance.
- Medicine and Dentistry — Knowledge of the information and techniques needed to diagnose and treat human injuries, diseases, and deformities. This includes symptoms, treatment alternatives, drug properties and interactions, and preventive health-care measures.
- English Language — Knowledge of the structure and content of the English language including the meaning and spelling of words, rules of composition, and grammar.
- Computers and Electronics — Knowledge of circuit boards, processors, chips, electronic equipment, and computer hardware and software, including applications and programming.
- Clerical — Knowledge of administrative and clerical procedures and systems such as word processing, managing files and records, stenography and transcription, designing forms, and other office procedures and terminology.
- Psychology — Knowledge of human behavior and performance; individual differences in ability, personality, and interests; learning and motivation; psychological research methods; and the assessment and treatment of behavioral and affective disorders.
- Biology — Knowledge of plant and animal organisms, their tissues, cells, functions, interdependencies, and interactions with each other and the environment.
- Education and Training — Knowledge of principles and methods for curriculum and training design, teaching and instruction for individuals and groups, and the measurement of training effects.

SKILLS:

- Active Listening — Giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.
- Critical Thinking — Using logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems.
- Learning Strategies — Selecting and using training/instructional methods and procedures appropriate for the situation when learning or teaching new things.
- Reading Comprehension — Understanding written sentences and paragraphs in work related documents.
- Social Perceptiveness — Being aware of others' reactions and understanding why they react as they do.
- Speaking — Talking to others to convey information effectively.
- Judgment and Decision Making — Considering the relative costs and benefits of potential actions to choose the most appropriate one.
- Monitoring — Monitoring/Assessing performance of yourself, other individuals, or organizations to make improvements or take corrective action.
- Writing — Communicating effectively in writing as appropriate for the needs of the audience.
- Active Learning — Understanding the implications of new information for both current and future problem-solving and decision-making.
- Complex Problem Solving — Identifying complex problems and reviewing related information to develop and evaluate options and implement solutions.
- Instructing — Teaching others how to do something.
- Service Orientation — Actively looking for ways to help people.

- Coordination — Adjusting actions in relation to others' actions.
- Time Management — Managing one's own time and the time of others.
- Negotiation — Bringing others together and trying to reconcile differences.
- Operations Analysis — Analyzing needs and product requirements to create a design.
- Persuasion — Persuading others to change their minds or behavior.
- Systems Analysis — Determining how a system should work and how changes in conditions, operations, and the environment will affect outcomes.

ABILITIES:

- Oral Comprehension — The ability to listen to and understand information and ideas presented through spoken words and sentences.
- Speech Recognition — The ability to identify and understand the speech of another person.
- Deductive Reasoning — The ability to apply general rules to specific problems to produce answers that make sense.
- Inductive Reasoning — The ability to combine pieces of information to form general rules or conclusions (includes finding a relationship among seemingly unrelated events).
- Speech Clarity — The ability to speak clearly so others can understand you.
- Written Expression — The ability to communicate information and ideas in writing so others will understand.
- Fluency of Ideas — The ability to come up with a number of ideas about a topic (the number of ideas is important, not their quality, correctness, or creativity).
- Oral Expression — The ability to communicate information and ideas in speaking so others will understand.
- Problem Sensitivity — The ability to tell when something is wrong or is likely to go wrong. It does not involve solving the problem, only recognizing there is a problem.
- Written Comprehension — The ability to read and understand information and ideas presented in writing.
- Near Vision — The ability to see details at close range (within a few feet of the observer).
- Category Flexibility — The ability to generate or use different sets of rules for combining or grouping things in different ways.
- Hearing Sensitivity — The ability to detect or tell the differences between sounds that vary in pitch and loudness.
- Information Ordering — The ability to arrange things or actions in a certain order or pattern according to a specific rule or set of rules (e.g., patterns of numbers, letters, words, pictures, mathematical operations).
- Auditory Attention — The ability to focus on a single source of sound in the presence of other distracting sounds.
- Originality — The ability to come up with unusual or clever ideas about a given topic or situation, or to develop creative ways to solve a problem.
- Flexibility of Closure — The ability to identify or detect a known pattern (a figure, object, word, or sound) that is hidden in other distracting material.
- Perceptual Speed — The ability to quickly and accurately compare similarities and differences among sets of letters, numbers, objects, pictures, or patterns. The things to be compared may be presented at the same time or one after the other. This ability also includes comparing a presented object with a remembered object.
- Selective Attention — The ability to concentrate on a task over a period of time without being distracted.

CONDITIONAL REQUIREMENTS:

This position is a Full-Time employment status at 40 hours per week with a shift schedule of eight hours per day, Monday through Friday. It is “**EXEMPT**” and is not eligible to receive overtime compensation pursuant to the Fair Labor Standards Act (FLSA) of 1938 Federal Law.

Note(s):

- *Three-fourths 20 CFR 655, Subpart E: “Workers will be offered employment for a total number of work hours equal to at least three fourths of the workdays of the total period that begins with the first workday after the arrival of the worker at the place of employment or the advertised contractual first date of need, whichever is later, and ends on the expiration date specified in the work contract or in its extensions, if any.”*
- *Employer-Provided Items 655.423(k): Requires Employer provide to the worker, without charge or deposit charge, all tools, supplies and equipment required to perform the duties assigned.*

OTHERS:

This position is paid on a bi-weekly basis (2-week period). CHCC adheres to all applicable deductions such as C.N.M.I. Tax, Federal Tax, Medicare and Social Security.

Note: *Education and training claimed in Employment Application must be substantiated by diploma, certificate or license. Failure to provide complete application form or the required documents will result in automatic disqualification.*

INTERESTED PERSONS SHOULD SEND THEIR CURRENT APPLICATION FORMS TO:
