FOR IMMEDIATE RELEASE

“No Coronavirus Case in the CNMI”

The Commonwealth Healthcare Corporation (CHCC) would like to update the public on a rumor that was circulating yesterday that a novel coronavirus case has been confirmed on Saipan. As far as we can tell, this rumor originated from this memo out of Alpha Insurers in Guam. The CHCC can confirm as of this release that no confirmed or suspected coronavirus cases have been identified on Saipan or anywhere else in the CNMI. We will update the public should any cases in the CNMI be identified.

For more information about CHCC programs, please follow us on Facebook and Twitter at @cnmichcc, check out our website at www.chcc.gov.mp or call us at (670) 234-8950.
