FOR IMMEDIATE RELEASE

“CHCC Conducting Health Screenings at Designated Entrances”

Please be advised that health screenings are taking place at the Commonwealth Healthcare Corporation (CHCC) prior to entering the facility. These required screenings are taking place at all currently operating entry points. Questions will be asked to individuals to allow our emergency preparedness team to continue to monitor the health of our community members in the face of COVID-19. **This is a precautionary measure, and as of this release the CNMI has no confirmed cases of COVID-19.**

The current operating entry points at the CHCC are in front of the gift shop, Hemodialysis, FCC, the Administration building, and the ER. Individuals can reach all other units of the hospital through these entry points.

Please budget an additional 5 minutes to your visit to account for the time needed for screening.

For more information about CHCC programs, please follow us on Facebook, Instagram, and Twitter at @cnmichcc, check out our website at www.chcc.gov.mp or call us at (670) 234-8950.
