CHCC-PR-21-162

### FOR IMMEDIATE RELEASE

#### Sanitary inspections of food establishments and BIBA grading for April 2021

During the month of April, the Commonwealth Healthcare Corporation's (CHCC) Environmental Health Disease Prevention (EHDP) conducted sanitary inspections on Retail, Eating and Drinking establishments. Through this release, the EHDP is providing (a) names of establishments by inspection grade, and (b) names of establishments which were ordered to close for serious violations of health and sanitation standards. For these establishments, the EHDP provides the suspension date and the date they were certified to resume operations.

The EHDP has also partnered with the BIBA Program to incorporate BIBA inspections into regular sanitation inspections. This initiative will assist in promoting a healthier environment, including reducing secondhand smoke exposure. In addition, the availability of nutrition information will enable our community to choose healthier options. The BIBA Healthy Restaurant Program Inspections and Grading applies to any establishment or activity involving food service, temporary food service, pushcarts, caterers, or motor vehicle food vendors. The inspections follow the regular sanitation inspection schedule.

#### **BIBA Healthy Restaurant Program Inspection Grading Scale:**

- A+: All guidelines met (#1-7).
- A: At least any 4 of the 7 guidelines are met.
- B: At least #1, #2, and #3 are met.
- C: At least #2 and #3 are met.

#### **Classifications for Food Safety Rating for an establishment receiving a score of:**

- 90-100 Grade A
- 80-89 Grade B
- 70-79 Grade C
- > 69 Closure/Suspension
