INSTRUCTION SHEET

As the state health agency and sole hospital, CHCC maintains a large repository of health data. CHCC recognizes that these data can be of value to CHCC staff and external partners to support many data-driven efforts such as program evaluation, research, data visualization.

In order to protect the use of these data, the CHCC Data Council kindly requests completion of this form which will provide the council with actionable information to assess your request.

All data provided will be De-identified with no personal identifying information (PII).

Steps

1. Requestor completes the request form
2. Form information is sent to Data Council members and recorded in CHCC Data Request log
3. Data Council reviews request and provides feedback or decision to Council Chair
4. Council shares feedback with requestor
5. Request is marked complete pending final product from requestor
6. Data council summarizes data requests in monthly CEO report
