### FOR IMMEDIATE RELEASE

#### “Parking at CHCC Limited While Solar Power Project Underway”

The Commonwealth Healthcare Corporation is pleased to announce that construction of the solar power paneling project is well underway. The paneling, which will take the form of a covered parking area in the lower CHCC parking lot, is expected to be fully completed in early 2020.

In the meantime, we would like to advise the public that finding parking at the CHCC may be slightly more difficult as a portion of the lower parking lot is sectioned off for construction. Our facilities and maintenance team has been working on solutions to accommodate both patients and staff, and we ask that you additionally pay attention to new traffic flow patterns around the outpatient clinic and administrative entrances.

We would like to thank the community for their support and understanding as we work to improve the CHCC’s energy efficiency and reduce our carbon footprint.

The CHCC’s solar power project was funded in large part by the Department of Interior Energizing Insular Communities (EIC) Grant #D14AP00057.

For more information about CHCC programs, please follow us on Facebook and Twitter at @cnmichcc, check out our website at [www.chcc.gov.mp](http://www.chcc.gov.mp) or call us at (670) 234-8950.
