FOR IMMEDIATE RELEASE

“CNMI EMT Simulation Exercise to Take Place on Friday, November 8”

The Commonwealth Healthcare Corporation (CHCC) would like to advise the public that we will be holding a training simulation exercise at airport field from approximately 8:00AM to 4:30PM on Friday, November 8, 2019. This exercise is part of the CNMI's Emergency Medical Team (EMT) training, and will include the set up of a small field clinic, as well as the reenactment of emergency triage on individuals who will be **acting** as if they are afflicted with illness and/or injury.

Residents should be advised that there will be no actual emergency on this date.

Simulation exercises such as this are vital in allowing the EMT to practice for real emergency situations, and will help the team to practice working together, setting up and breaking down their equipment, and addressing potential challenges in a controlled environment.

For more information about CHCC programs, please follow us on Facebook and Twitter at @cnmichcc, check out our website at www.chcc.gov.mp or call us at (670) 234-8950.
