1178 Hinemlu' St. Garapan, Saipan, MP 96950

**HUMAN RESOURCES**

**EXAMINATION ANNOUNCEMENT NO. 25-119**

POSITION: **Community Health Outreach Worker I** OPENING DATE: **08/26/2025**  
NO. OF VACANCIES: **2** CLOSING DATE: **09/09/2025**  
SALARY: **\$22,998.56 P/A**  
PAY LEVEL: **03/01**

The following position(s) is/are available in the following assignment locations:

LOCATION: Early Hearing Detection and Prevention Program (EHDI), MICAH Programs, Public Health Services, Population Health, Commonwealth Healthcare Corporation, Saipan. This position is subject to funding availability through federal funds awarded to the *Universal Newborn Hearing and Screening* not to exceed 03/31/2026;

LOCATION: Maternal, Infant, Child, & Adolescent Health (MICAH) Programs, Public Health Services, Population Health, Commonwealth Healthcare Corporation, Saipan. This position is subject to funding availability through federal funds awarded to *Maternal & Child Health Services* not to exceed 09/30/2025; and *Family-To-Family Partnership/CSHCN* not to exceed 05/31/2026.

**NATURE OF WORK**

Under the general supervision of the MICAH-Children with Special Healthcare Needs Program Manager, the employee in this position will provide case management and services coordination for families of children ages 0 to 3 years who are identified with special healthcare needs, disability, or developmental delays. The incumbent will adhere to CHCC policies, approved activities, and conduct early childhood screenings, service and Individual Family Service Plan (IFSP) evaluations, coordination of medical provider and specialty clinic appointments, and referrals to other programs and services. The position works to promote health resource sharing, partnership development, education, outreach, health promotion, and disease prevention strategies among families with children who have special healthcare needs (CSHCN) and will work in partnership with CHCC medical providers in ensuring primary and preventive care, care coordination, and case management for CSHCN. Under the general supervision of the Program Manager, the outreach worker provides a critical role in extending health care delivery after the patient's clinic visit. This individual, works closely with medical providers, primary care teams, and social services agencies to provide short term care coordination and connection to resources and support to program clients to improve their health and general well-being through education and provision of coordination of care and services. This individual will assist in receiving referrals to the Program from internal and external healthcare providers and partner agencies. Under the general supervision of the assigned Program Manager/Coordinator, the outreach worker provides a critical role in the delivery of CNMI healthcare services that may include medication management, home or field visits, etc. and in care coordination services that extend after the initial patient/client visit. This individual works closely with CHCC and external healthcare providers and programs/clinics to facilitate access to care, resources, and services to improve the health and wellbeing of patients/clients.

---

CHCC is an equal opportunity employer. We consider all applicants for all positions without regard to race, color, religion, sex, disability, age, mental or veteran status, the presence of a non-job-related medical condition or disability, or any legal protected status.

## **DUTIES:**

### **1. *Referrals/Patient navigation***

- Conduct eligibility screenings, assessment of patient financial requirements, and counseling patients on insurance benefits and copayments; including what programs are available that they may be eligible for (e.g. WIC, Medicaid, Social Security Income, Nutrition Assistance Program (NAP), etc.) and other health related services (Tobacco - Cessation, Family Planning, HOME Visiting, Immunization Program).
- Continuously expands knowledge and understanding of community resources and services.
- Facilitates client access to community resources, including locating housing, food, clothing, prenatal classes, parenting, and providers to teach life skills, and relevant mental health services.
- Assists clients in utilizing community services, including scheduling appointments with social services agencies and assisting with completion of applications for programs for which they may be eligible.
- Report incidences of child or elder abuse, neglect, or threats of harm to authorities, as required by mandated reporting laws.
- Conduct appropriate intake, hearing/developmental screenings, and registration processes for assigned programs/clinics.
- Engage in active partnerships to keep current with key stakeholders of agencies and organizations addressing housing, food, utilities, transportation, education, vocational, healthcare, and other essential services that promote health, safety, and patients/client's quality of life.
- Coordinate, conduct, monitor, and assist in referral processes to and from assigned programs/clinics and external partners.
- Comply with all Federal and local laws addressing confidentiality, ethics, and mandatory reporting laws (child or elder abuse and neglect, etc.).

### **2. *Health education & community awareness (culturally-tailored)***

- Provides relevant health education and information to patients/clients at CHCC or in the community
- Develops community awareness materials to market screening, diagnostics and treatment, and preventative services at CHCC.
- Utilize and help develop information awareness messages specific to program needs utilizing print, radio, and social media platforms.
- Disseminate health information materials to internal and external partners and stakeholders.
- Participate in evaluation of health education and community awareness materials and activities.

### **3. *Case management and direct patient care/services***

- Develop plans or formal contracts for individuals, families, or community groups to improve overall health.
- Conducts patient follow-up activities to prevent loss to follow-up and assists in locating patients who have been lost to follow-up.
- Assists clients in meeting compliance requirements for recommended services.
- Conduct health screenings and provide medication, if applicable.

### **4. *Data entry and documentation***

- Documents all patient encounters in the Electronic Health Records and/or the National Electronic Disease Surveillance System, or other database, as needed.
- Updates and maintains surveillance and reporting systems.
- Maintain updated client records including plans, contact notes, appropriate forms, or related information, as needed.

### **5. *Partnership***

- Works closely with internal partners and medical providers to help achieve desired patient outcomes.
- Work with partners and stakeholders to conduct community and target population needs assessment activities.
- Advocate for individual or community health needs with government agencies or health service providers.

---

CHCC is an equal opportunity employer. We consider all applicants for all positions without regard to race, color, religion, sex, disability, age, mental or veteran status, the presence of a non-job-related medical condition or disability, or any legal protected status.
