## HUMAN RESOURCES

### EXAMINATION ANNOUNCEMENT NO. 26-065

POSITION: **STAFF PHARMACIST** OPENING DATE: **03/01/2026**  
CLOSING DATE: **Continuous**

SALARY: **\$125,000.00 P/A**  
PAY LEVEL: **UNG**  
*The salary given will be determined by the qualifications of the appointee.*

LOCATION: Outpatient Pharmacy, Ancillary Services  
Commonwealth Healthcare Corporation, Saipan

#### NATURE OF WORK:

Under the direct supervision of the Pharmacy Manager, the incumbent is responsible for ensuring the prompt and accurate delivery of medications and assists the medical and nursing staff and other ancillary staffs in providing pharmaceutical care to all patients. The pharmaceutical service shall be staffed by professionally competent, legally qualified pharmacists. The location of the work is at the Commonwealth Health Center, primarily within the pharmacy department but also will have duties to and for other CNMI governmental agencies and departments such as and primarily within the Division of Public Health. The employee does have professional supervisory tasks.

The staff pharmacist supervises the daily operation of Commonwealth Healthcare Corporation (CHCC) Outpatient Pharmacy, Rota Health Center (RHC) and Tinian Health Center (THC) Tele pharmacies as needed and provides pharmaceutical services and consultations to patients and healthcare providers in conformance with all statutes and regulations pertinent to the practice of tele pharmacy. This role plays a critical role in ensuring safe and efficient medication management while adhering to all legal and ethical standards.

#### DUTIES:

##### **A. Ensures safe and appropriate medication therapies for patients according to established policies, procedures, and protocols.**

- Reviews, assess and verifies medication orders and prescriptions for accuracy, completeness, legalities and potential interactions from remote locations.
- Verifies patient information, allergies, and medication history.
- Ensures the accurate preparation, labeling, and dispensing of medications.
- Supervises pharmacy technicians in the fulfillment of prescriptions.
- Monitors patient's medication regimen and makes recommendations for adjustments when necessary.
- Identifies and reports adverse drug reactions and events.
- Ensures patients follow medication regimens and offer guidance on adherence.
- Supervises medication storage and preparation areas throughout the pharmacy.
- Ensures maintenance of an adequate medication supply.
- Establishes specifications for the procurement of medications and biologicals.
- Ensures control and accountability for medications dispensed to patients.
- Assures adequate control and documentation of controlled substances.
- Facilitates the implementation of treatment guidelines and protocols.
- Coordinates the selection and safe use of alternative medications in response to medication shortages.

##### **B. Contributes to the quality and effective operation of the department.**

- Collaborates with healthcare teams to provide remote pharmaceutical care.
- Utilizes pharmacy software to maintain patient records, document interventions, and manage inventory.

---

CHCC is an equal opportunity employer. We consider all applicants for all positions without regard to race, color, religion, sex, disability, age, mental or veteran status, the presence of a non-job-related medical condition or disability, or any legal protected status.

- Adheres to state and federal regulations regarding pharmacy practice including remote pharmacy operations.
- Participates in quality control and improvement initiatives to enhance patient safety and care quality.
- Complies with Drug Enforcement Administration (DEA) regulations when handling and dispensing controlled substances.
- Ensures accurate record-keeping, secure storage and vigilant monitoring of controlled substances to prevent diversion and misuse.
- Ensures applicable licensures are maintained in department files.
- Supervises all pharmacy personnel under CHCC, RHC and THC pharmacies.
- Communicate, interpret and discuss with CHCC, RHC and THC staff the pharmacy policies and procedures.
- Provides authorization for orientation, training, job objectives, and communication.
- Maintains appropriate records in order to assure that the quality, quantity and timeliness of work done can be documented.
- Stays up-to-date with federal and state regulations and maintain strict adherence to legal requirements related to pharmacy practice.
- Ensures the secure and confidential handling of patient information.
- Proficiently use tele pharmacy platforms and health records for documentation and communication.
- Participates in quality improvement initiatives to enhance medication safety.
- Provides exceptional customer service, addressing patient needs and concerns with empathy and professionalism.
- Build trust and rapport with patients and healthcare providers.
- Seeks compliance with outside agencies relevant to requirements for maintenance of services. Ensure all required local and Federal compliance requirements are met by the pharmacy as well as the pharmacy staff.
- Ensures preparation and submission of patient charges and financial reports to administration in accordance with policy.
- Ensures compliance with health-system policies and procedures that apply to pharmacy services.
- Coordinates all technological advancements in the pharmacy such as EnterpriseRx, Emporos POS, and Controlled Substance Ordering System (CSOS).

**C. Provides education and information on pharmaceutical care and medication therapy.**

- Provides drug information and clinical support to healthcare providers and patients.
- Provides medication counselling and answering patient's questions via phone or video calls.
- Participates in Public Health programs to improve healthcare in the community (e.g., NCD, Tobacco Cessation, HIV, Family Planning, TB, Mental Health, Opioid/OD2A/PDMP).
