## FOR IMMEDIATE RELEASE

### COVID-19 vaccination relocates to CHCC Immunization Clinic

The COVID-19 vaccination operations at the Commonwealth Healthcare Corporation (CHCC) Medical Care and Treatment Site (MCATS) will relocate to the **CHCC Immunization Clinic, beginning May 2, 2022.**

COVID-19 vaccinations at the CHCC Immunization Clinic will be offered by **appointment only** and individuals can contact (670) 236-8745 for scheduling.

COVID-19 vaccines are also available at private clinics, such as Medical Associates of the Pacific, Kagman Isla Community Health, Marianas Medical Center, as well as the following CHCC outpatient clinics: Family Care Clinic, Children's Clinic, Women's Clinic, Tinian Health Center, and Rota Health Center. Contact each clinic for more information or to schedule vaccination.

All locations will offer primary, additional, and booster doses of all COVID-19 vaccine products authorized or approved by the U.S. Food and Drug Administration.

A second COVID-19 vaccine booster shot is available to **individuals aged 50 years and older** and **certain immunocompromised individuals**. Individuals should speak to their primary care provider regarding questions on whether a second booster dose is appropriate for them.

The CHCC and the Governor's COVID-19 Task Force highly encourage unvaccinated individuals to get vaccinated and, for those eligible, to get a booster shot to stay up-to-date against COVID-19 to help prevent severe illness, hospitalization, and death.

The Governor's COVID-19 Task Force and the CHCC will continue to ensure every individual in the CNMI has access to information about COVID-19, COVID-19 testing, and therapeutic treatments without barriers.

For more information about CHCC programs, follow @cnmichcc on Facebook, Instagram, and Twitter; visit <https://www.chcc.health>; or call (670) 234-8950.
